

“Savage Inequalities” Writing Assignment

Read the excerpt from the book Savage Inequalities by Jonathan Kozol (Pages 344-353). When you are finished, you are to write a short paper in reaction to this reading. Contrast the two schools/learning environments described. When doing so, consider the following:

1. How do the conditions described affect the learning environment of each school? Be specific.
2. Why is this piece entitled, “Savage Inequalities”?
3. Comment on the bigger picture,
 - a. Discuss how this reflects on the entire education system?
 - b. What effect on American society does this so-called “inequality” in schools have?
4. What is your reaction to this reading?
5. Finally, compare each to what your perception of American education is, or should be.
